

62. Collagen amino acids - cookies and cream flavor (350 g)

FORMULA	
Raw Materials	Quantity (mg)
Magnesium carbonate	50,61
Pea protein isolate	65,30
Yellow lentil protein concentrate	138,76
L-glycine	52,24
L-proline	26,12
Silicon dioxide E 551	1,90
Steviol glycosides from stevia E 960 a	0,44
Flavor	14,64
Total	350,00

INGREDIENTS	Yellow lentil protein concentrate, pea protein isolate, L-glycine, magnesium carbonate, L-proline, flavor, sweetener (steviol glycosides from stevia), anti-caking agent (silicon dioxide).
PRODUCT USAGE	Food supplement based on vegetable proteins, L-glycine, L-proline and magnesium. With sweetener.
SHELF LIFE	3 years.
STORAGE CONDITIONS	Close the container tightly and store in a cool, dry place.
GMOs	Does not contain.
ALLERGENS	Does not contain.
TARGET POPULATION	General population.
